GRAND GLOBAL

With years of property development experience since 1996, the group has been consistently building properties in prominent locations with a clear vision to transform the way people perceive exceptional quality. We are a niche boutique developer made of vibrant and well-experienced people with innovative and eccentric ideas in mind.

In Kuala Lumpur, Petaling Jaya, Terengganu and Melbourne, Australia, we have completed properties from residential to commercial such as townhouses, apartments, luxury condominiums, island resort and shop offices. Our upcoming developments in the near future will encompass SOHO units, retail lots, office suites, condominium, city hotel and boutique spa resort.

With a proven continuous track record of success, delivering quality lifestyle properties on time with incomparable added values will continue to stand strong as our commitment to customer satisfaction.
